

Elite Electrical Tasmania

Elite Electrical Tasmania Pty Ltd

Electrical for Tasmanian farms, commercial builds & industrial sites — Sorell-based

IRRIGATION

COMMERCIAL

INDUSTRIAL

15+ years owner/trade experience

ABOUT

Elite Electrical Tasmania is a Sorell-based electrical contractor serving Greater Hobart, Sorell & surrounds, and southern Tasmania. We focus on **rural irrigation** (pivots, pump stations, VSDs, controllers), **commercial** work for builders and facility managers (fit-outs, switchboards, lighting, testing & tagging, planned maintenance), and **industrial** electrical (three-phase, MCC/switchboards, fault-finding, planned shutdowns — including mine dewatering electrical support where scope fits). Practical local delivery — not a national contractor pitch.

SECTORS & CAPABILITIES

Irrigation

- Centre pivots
- Pump stations & VSDs
- Controllers & upgrades
- Electrical retrofits
- Dairy / hort / broadacre

Commercial

- Fit-outs
- Switchboards
- Lighting
- Testing & tagging
- Planned maintenance

Industrial

- Three-phase
- MCC / switchboards
- Fault-finding
- Planned shutdowns
- VSDs / controllers

Controls framed as pump VSDs, switchboards, three-phase, pivots and controllers — not enterprise SCADA unless separately confirmed. Soft mine dewatering electrical support where scope fits.

QUALIFICATIONS & LICENCE

Licensed electrical contractor under Tasmania's CBOS framework — local southern TAS contractor focused on irrigation electrical, commercial, and industrial work. No invented accreditations; credentials below are the ones that matter for tender and site engagement.

Electrical contractor licence	358177889 (CBOS / Tasmania)
